## Reduced Rates for Legal Services

*Law Offices of John C. Carpenter, A Professional Corporation*

The Law Offices of JOHN C. CARPENTER currently represents the Los Angeles Radiological Society and offers reduced rates for legal services to its members. All initial consultations are at no charge.

Attorneys at our firm have provided business and legal advice to many individuals and corporations over the past years.

We have represented individual doctors and businesses in their start-up, formation and development; and have provided legal representation in the area of corporate, business, contracts, joint ventures with Hospitals, leases, real estate matters, employment matters and estate planning.

Below is an outline of some of the legal services we provide:

### **Legal Check-up:**

We are available to meet with you and review your business and personal documents, provide legal advice regarding your business, employment, and other issues. This may include:

- § Leases (real estate and equipment)
- § Hospital, Medical Group, Partnership or Clinic Agreements
- § Corporation records and minute books
- § Choice of Entity to operate under (such as partnership, professional corporation, sub-chapter S corporation, or limited liability company)
- § Estate Planning (wills and living trusts)
- § Other Business Documents (such as contracts, employment agreements, confidentiality agreements, non-competition agreements, and non-disclosure agreements)

### **Business and Financial Services:**

- § We will assist you in the negotiation of business acquisitions, and other financial services. We will provide consultation and review of contracts and business proposals, and will utilize our expertise in any negotiation.

### **Real Estate:**

We are available to review proposed leases and real estate acquisitions, negotiate terms, finalize contracts, and assist you with other real estate transactional matters. John is an attorney and licensed real estate broker.

### **Fixed Fee Services:**

We provide the following fixed fee legal services:

- Estate Planning (wills, living trusts, life insurance trusts, etc.)
- Incorporations, Partnerships, and Limited Liability Companies
- Corporate Maintenance

### **Litigation and Regulatory Compliance in the following areas:**

- Corporation and Partnership Disputes
- Business and Contract Disputes
- Employment Matters
- Real Estate Matters
- Representation before the Medical Quality Assurance Board
- Licensing Issues
- Medicare and Medi-Cal Billing Disputes
- Lawsuits in State and Federal Courts throughout California
- Mediation, Arbitration and Trials.
